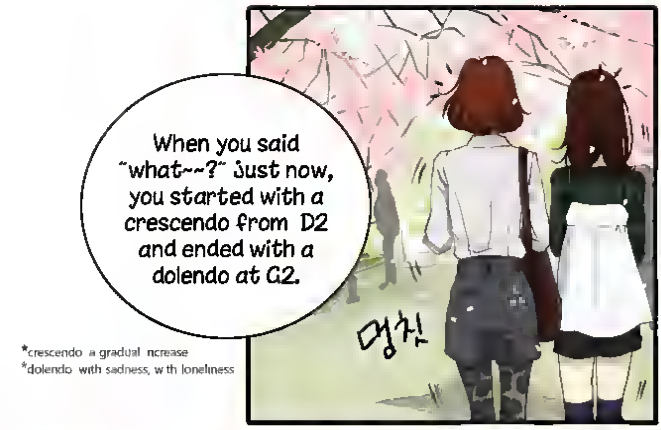
2nd octave D,
3rd octave E.

Have you heard? The girls seem to be making a ruckus over Professor 'Na' cancelling his classes.

What?
He can't! I had a question to ask...
That question... does it pertain to anything that happens in class..?
You caught me..



When you said "what~~?" just now, you started with a crescendo from D2 and ended with a dolendo at G2.
*crescendo a gradual ncrease
*dolendo with sadness, w th loneliness

Should I call him the string orchestra prince ~ ♥ ? I also heard he came back from studying abroad in some foreign country~.

How do you know all this? I mean, you just entered this school and all.

Huhuhu, I'm an early bird, you see~.

If you like him that much, why don't you go confess!

Ah, that's a bit...

ALTHOUGH HE MAY LACK A LITTLE HE'S GOOD-LOOKING AND IS THE PRINCE OF THE ORCHESTRA.

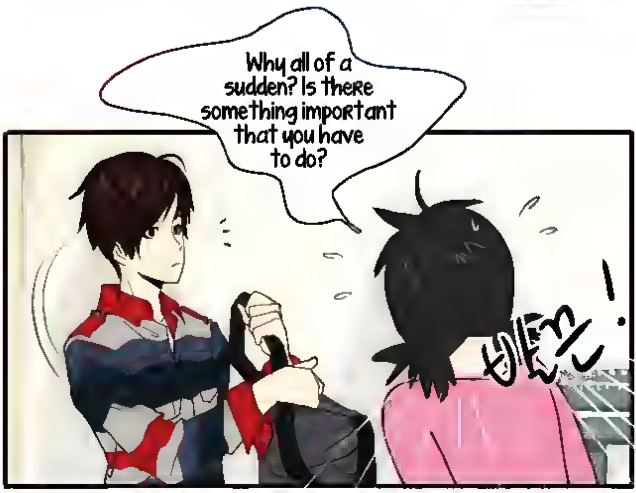
Why? It hasn't even been 10 minutes since we started practicing? Is something wrong?

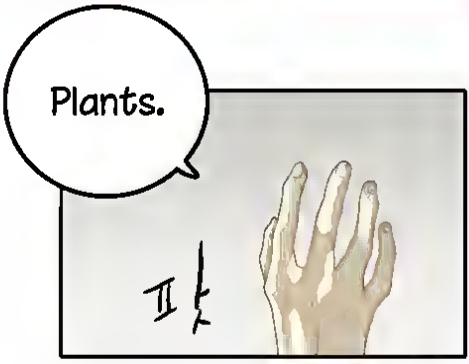
No, I think that our playing is already amazing, so no more practice will be needed.
BACH
I think I'll be able to continue on my own starting next time.



Why all of a sudden? Is there something important that you have to do?

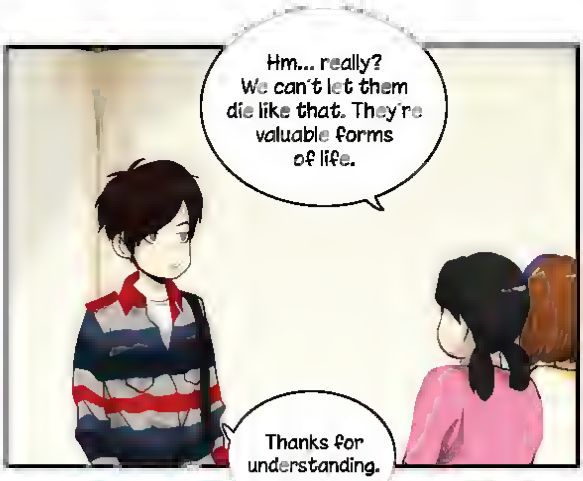
If I tell them that I'm doing this cuz they both suck, things will probably get annoying...
And on top of that I'll probably die
hmm...

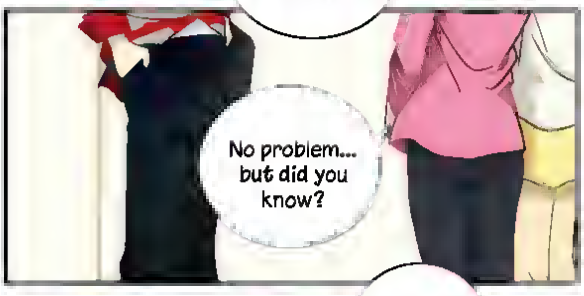
Ah, that's right! With this, I should be off the hook.



Plants.

To tell the truth, it's been weeks since I last watered my plants at home. If I don't go, the plants would die, am I right? To leave them so lonely and desolate...
clench





What? Are you sure? You're joking, right?

Haa... so annoying.

What? What did you say just now?

I said let's continue practicing.
